Property Description

Stunning 3 Bedroom Detached Villa in the heart of Central Algarve

The property sits on its own private land of nearly 700m2 with beautiful landscaped gardens and an idillic private swimming pool.

With its south facing origin, the refurbished Quinta boasts beautiful Sea views with no obtrusion to natural light. In fact the Roof Terrace enjoys 360 degree views with complete tranquility.

This property is being sold completely renovated and will be finished to an extremely high standard, while maintaining the traditional and Authentic aesthetic.

Just 5 minutes from local restaurants and 10 minutes from Vilamoura this property is ideally located in a very sought after neighbourhood within 10 minutes you have some of Europes most popular beaches and world class golf courses.

You are also only 20 minutes from the airpot meaning short term rental is lucrative option.

This is a great opportunity to own a fantastic investment in one of Europes most popular and ever growing Resorts.

The returns are forecast to be high given the low sale value!
