Property Description

More than a house, more than a building, Atalaia 36 is a set of fascinating stories, centered in one of Lisbon's most iconic neighborhoods. Get ready to be part of the history of the city of Lisbon - this is the promise that Atalaia 36 has in store for you.

This story will be felt in the 2 commercial units and 8 apartments with typologies T1 and T2 where the concern with details and the quality of finishes was taken very seriously so that you can feel the original essence of the city of Lisbon.

Bairro Alto has a character of innovation and irreverence that has the ability to attract people from all over the world, being one of the main attractions of the city of Lisbon. Between Chiado and Príncipe Real, Atalaia 36 enjoys a privileged and unique location, a short distance from the most important points of cultural interest, shopping areas and restaurants in Lisbon.
