Property Description

Brand new development located in Lagoa, Algarve.

Lagoa is bounded on the north and east by the municipality of Silves, west by Portimão, and the Atlantic Ocean to the south. It is a rich place with **beautiful beaches** and great tourist facilities.

Walking around the town gives you an idea of the traditional Algarve. The town is nearby some of the best beaches in the **Algarve**: Albandeira, Benagil, Carvoeiro and Marinha. These magical beaches are famous for their brightly coloured cliffs and crystal clear waters, where you can enjoy different kinds of water sports.

If you are interested in a more cultural visit, Igreja de **Nossa Senhora da Luz** (Church of Our Lady of Light) and **Convent of Saint Joseph** are some of the interesting places to go to. If you are an adventure lover there is a walking trail near Lagoa, called **Percurso dos Sete Vales Suspensos**, which is one of the most beautiful hikes in the **Algarve** and where you will have the chance to see some of the most stunning views and rock formations that you can find in the region.

You can also find a variety of restaurants close by, with typical Portuguese cuisine. If you are a wine lover, you can enjoy a wine tasting in the estate of **Quinta dos Vales**, and learn all about the process of producing wine.

The **Lagoa Gardens** was designed considering every detail, focusing on comfort, elegance and quality of the materials for a better external and internal ambience.

The development consists of a total of 6 units, 3 units are duplex apartments and 3 units are located on the ground floor. Each features a bedroom, bathroom, storage, and access to the pool located in a common area with a garden space.

Luxury finishes such as monochromatic colours in the kitchen and the bathroom. Marble stone kitchen countertops, white walls, resin floors, wooden inbuilt closets, fully equipped kitchen with top of the line appliances. Microcement countertop bathroom, tiles on walls, black taps and double glazing. All units have thermal and acoustic isolation windows and air conditioning.

Being eligible for **Golden Visa,** it is great as an investment to enjoy your life close to the beach in one of the most exclusive parts of Portugal.
