Property Description

Martim 2

This charming apartment is featured with a fully equipped kitchen; 3 large bedrooms, 3 bathrooms and a generous living room. It has 128 m2 of gross private area and an outside space of 3 m2 for a private terrace/garden.

The district has an intangible quality that needs to be experienced to be truly appreciated, and the best way to get to know it is to get a little lost (something almost impossible to avoid), and wander around admiring the postcard-perfect views, visiting the churches, and walking up to the São Jorge Castle for the most breathtaking panorama of the city and the greatest sunsets.

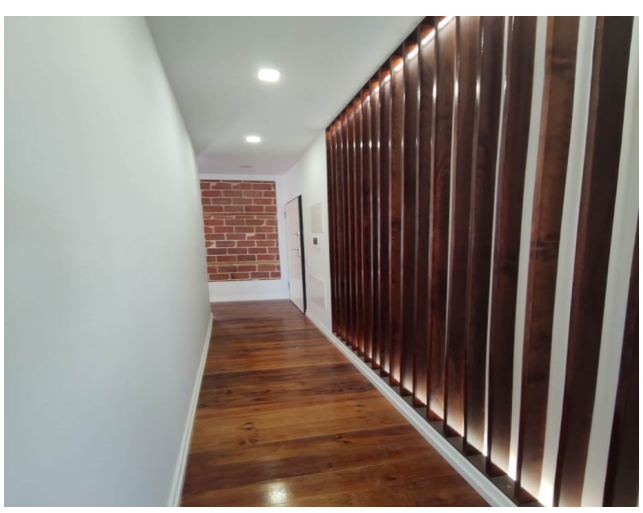

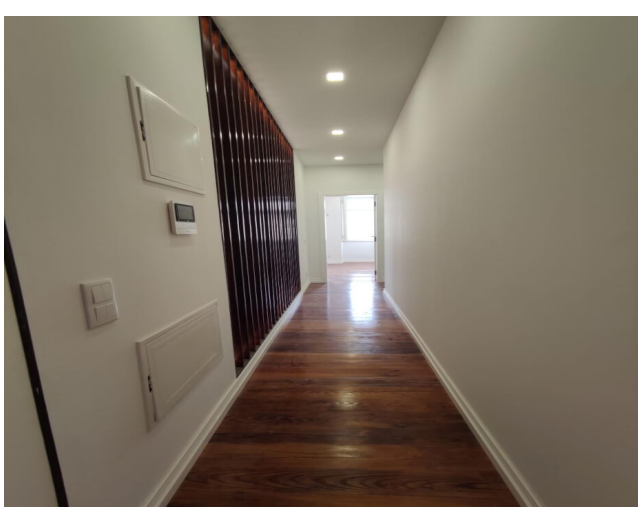

Martim 2 is surrounded by a large list of resources; a playground, bank, fire department, a football field, school, a large green space, pharmacies, supermarkets, nearby swimming pools, police and fuel stations, and public transportation.
