Property Description

This beautiful brand new property nearby the Marina will be finished by the beginning of 2020. This new development will feature an outdoor pool, children's pool, indoor heated pool with a fantastic jacuzzi and also a gym. The entire project will also have gardens, storage room, underground parking and terraces with traditional tiles.

The one bedroom apartments will have interiors in solid oak, the kitchen will be fitted with the highest quality materials, the bathroom will have a hydrotherapy bath and the bedrooms will be fitted with wardrobes in oak.

The location is extremely central just within a 5-minute walk from the Marina and all the cultural and social life of Lagos.
