Property Description

This modern residential development is located close to **Porto de Mós Beach**, one of the most renowned and scenic beaches in the Algarve region. The project consists of a newly constructed building designed to offer comfort, efficiency, and contemporary living in a coastal setting.

The building is equipped with high-quality features, including underfloor heating, air conditioning, a central vacuum cleaning system, electric blinds, lift access, and a communal outdoor swimming pool. These amenities enhance both everyday living and long-term property value.

The one bedroom apartment benefits from sound and thermal insulation, contributing to energy efficiency and year-round comfort. Interior finishes include oak doors and built-in wooden wardrobes. The fully equipped kitchen includes Bosch appliances such as a hob, electric oven, fridge, microwave, washing machine, and dishwasher.

Each apartment includes a private parking space and a storage room, adding practicality and convenience. Due to its location near the beach and strong demand for coastal property, this apartment is suitable for residential use, holiday living, or rental investment in the Algarve.

Situated in Lagos, the property benefits from proximity to beaches, local services, and transport links, making it a well-positioned opportunity to acquire a modern apartment near the coast in southern Portugal.
