Property Description

Land with panoramic views, close to Bombarral and with about 8,700 m2. It is located in a very private place, on one of the highest points in the municipality, has a gentle slope and is served by a properly paved secondary stay. The incredible view of the Montejunto hills and all the surrounding fields, combined with excellent sun exposure, make this land a privileged place. Possibility to build a condominium or subdivision with 15 single-family houses Next to the land are all the necessary infrastructure for construction. It is located in a quiet village, less than 10 minutes from Bombarral or access to the highway, about 15 minutes from Óbidos, 20 from Caldas da Rainha and 25 minutes from the beaches of the Costa de Prata. Lisbon is 50 minutes away. #ref:BL786
