The historical centre of Lagos is where all the action takes place. Local and international restaurants turn out mouthwatering dishes using the very best of local produce, cosy terraces seat people from all over the world and are ideal spots to meet new people.

The vibrant organic market occupies the town's largest car park every Wednesday (in addition to the daily and weekend markets)

The municipal facilities include the impressive (and renovated) public swimming pools in the sports centre. This complex also accommodates a Gymnasium, yoga school, and other sports classes. Lagos Tennis and Padel court is just one of the open court options.
