Lagos has just recently celebrated 450 years of city status!

The old city walls hug the cobbled narrow streets within, offering a reminder of the town's rich history in merchant port trade. Today Lagos is still a bustling coastal destination. It features some of the most stunning beaches in the Algarve which only add to the abundance of central and surrounding natural beauty. Meia Praia beach is the longest open strip of coastline in the south of Portugal and is enjoyed year-round by locals and tourists alike, whether they be sunbathing, surfing, or feasting at one of the many fresh fish restaurants. In fact, the entire coastline around Lagos is simply magnificent. The beaches of Praia Dona Ana and Porto da Mos are protected by the horseshoe cliffs and offer excellent public facilities. Trendy cocktail bars and boardwalk restaurants provide a front-line platform for a sunset beverage.

Surfers, watersports enthusiasts, and families looking for outdoor activities are all well catered for in Lagos. Catamaran and boat trips to the Benagil caves leave from the town's central Marina which in itself is a popular and busy strip of restaurants and bars. Jet ski hire, fishing trips, enormous waterparks, Lagos Zoo, international Golf courses, and forest adventure parks are all within easy access from the town centre.

Quaint and calm fishing villages are peppered along the southwest coastline towards Sagres (which is the most western point in mainland Europe), the lush green mountains of Monchique provide the perfect backdrop and offer some tremendous walking and cycling trails and there is no better way to end a day on the mountains than visiting one of the natural hot spring resorts.

The historical centre of Lagos is where all the action takes place. Local and international restaurants turn out mouth-watering dishes using the very best of local produce, cosy terraces seat people from all over the world and are ideal spots to meet new friends..

The vibrant organic market occupies the town's largest car park every Wednesday (in addition to the daily and weekend markets)

The municipal facilities include the impressive (and renovated) public swimming pools in the sports centre. This complex also accommodates a Gymnasium, yoga school, and other sports classes. Lagos Tennis and Padel club is just one of the open court options.

The Cultural and Performing Arts Centre manages a busy program with a wide range of performances, Lagos cinema screens reel the latest movies in both Portuguese and English.

Whether your Lagos property is a place to call home or an investment for yield return in one of the most popular tourist destinations in the country, this town, and its lucky inhabitants will offer you the warmest of welcomes into a strong and peaceful community.
