Property Description

Stunning new development in Baixa

Located in the middle of downtown Lisbon, next to the Comercio Square and the Tagus river, the Baixa One is surrounded by many shops, theaters, museums, cafes, restaurants and touristic attractions, to enjoy the best that Lisbon has to offer at a walking distance.

Baixa has been going through some significant renovations which made of this neighborhood one of the most attractive areas to invest and to enjoy.

This neighborhood is the result of a complete reconstruction project led by Marquis de Pombal after the earthquake of 1755. Each street is still named after the trades that once defined them. Most of its actual buildings are also from the late XVIII century and still keep original traits.

The project is composed of 12 apartments that blend the luxury and services of a 5 stars hotel with the supreme comfort of a home. The ground level will accommodate a premium retail space at one of the most prestigious zone for commerce in the city.
