Property Description

In São Martinho do Porto, two apartment buildings will soon be built with views over the bay. There will be two 3-storey blocks, with 12 apartments each with 2 bedrooms & 3 bedrooms, making a total of 24 units with a contemporary design, good materials and natural light and also with parking space in the basement. Prices range from €395,000 to €541,000 depending on type and floor. Its strategic location gives you the possibility of being close to several beautiful places such as the bay and beach of São Martinho do Porto, as well as the beach of Salir do Porto or Foz do Arelho, Nazaré or even the city of Caldas da Rainha with all its historical and artistic richness, and at the same time being able to enjoy a calm location, far from the traditional tourist movement in the area and being able to enjoy the resort's various swimming pools and have beautiful moments of leisure. The Silver Coast continues to be one of the most popular places in Portugal, due to the temperate climate and because it is an area very rich in vegetation, culture, gastronomy and water sports such as surfing, kitesurfing or golf. These apartments could not only be an excellent place to live but also an investment possibility for rent.
