Property Description

Graça is full of fascinating history mixed with contemporary art. No matter where you look you are guaranteed to see beautiful buildings and unique architectural features. The area has a lot of modern street art which bring a vibrant splash of life and energy to the streets, one of the most notable pieces was created by Shepard Fairey, who is the owner of the huge clothing label OBEY & is also notable for creating the Obama ‘Hope’ piece.

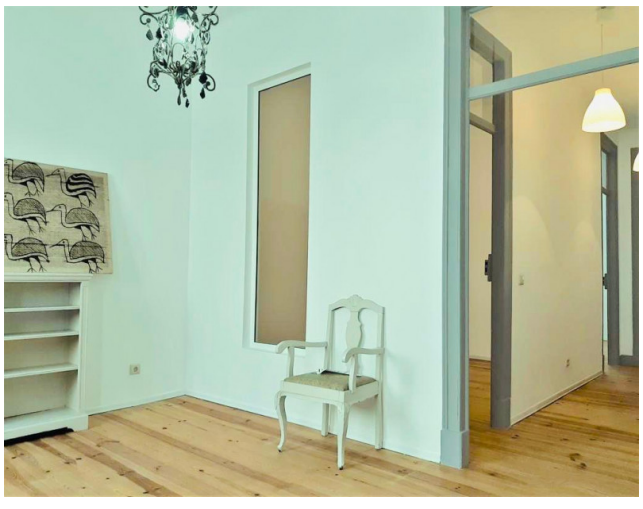

As you wander around the streets, you will feel at home, with a lack of tourists and an influx of friendly locals who will end up becoming a friendly & familiar face to talk to. Graça is home to many restaurants & cafe’s so you’re never going to be stuck for authentic Portuguese cuisine if you chose to move here.
