Property Description

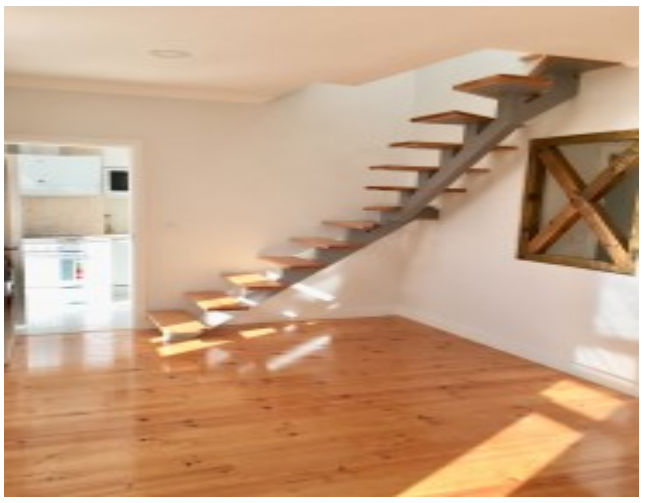

The Graça neighborhood is a central area in Lisbon close to Castelo de São Jorge. This neighborhood is known for its wonderful viewpoints and cool street art. A very typical area of Lisbon where it is possible to live the best experience the city has to offer.

This apartment is a duplex completely refurbished that maintains the typical wooden structure from the 18th Century, called 'gaiola pombalina' and very close to the city center. Enjoy a balcony where it is possible to experience the city's wonderful weather with a view over the Tagus River and Castelo de São Jorge. In the living room you will enjoy a spacious and quiet area due to the double glazing windows that isolate this apartment from the street noise. Fully equipped kitchen including oven, fridge and microwave.

Feel free to contact us and book a visit.
