Property Description

A unique opportunity!

3 plots, on the top of a hill with 360º degrees views, overlooking Lagos and the marina, with project approved for 3 amazing villas.

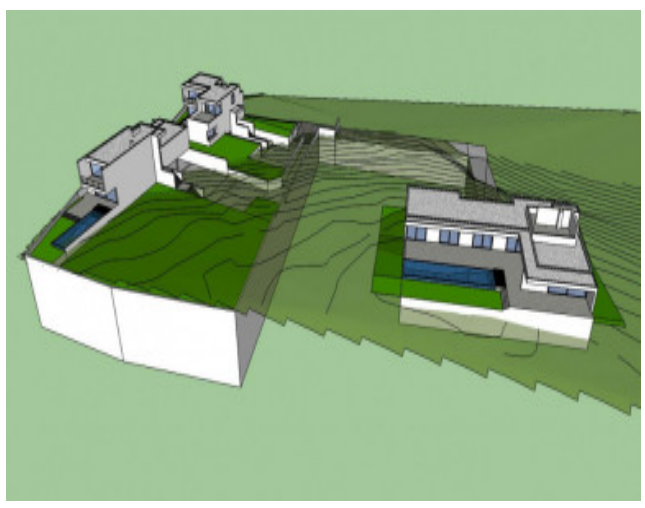

Plot nº1 with 1,140 m□2; with a construction area, plot nº 2 with 2,090 m□2; with a construction area and plot number 3 with 8,900 m□2; with a construction area. Fantastic modern project with the implantation of the villas to optimise the views, from the mountains of Serra de Monchique to never-ending sea views, passing through the beautiful Lagos marina.

The amazing feeling of living in the countryside with sea views, just five minutes drive to all facilities. The nearest supermarket is just a 10 minutes walk.

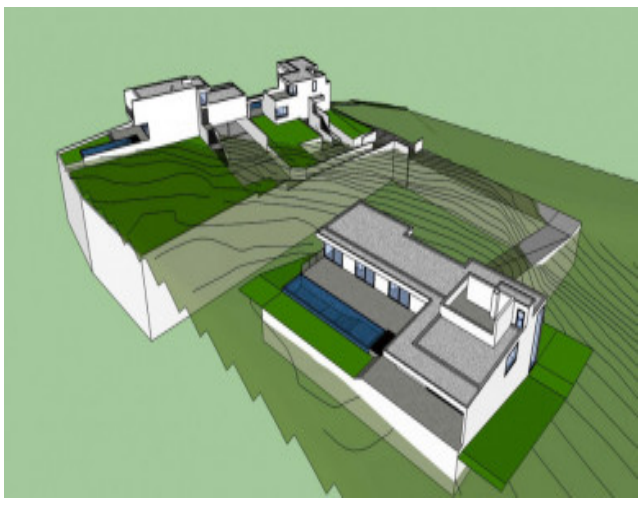

Price includes the plans approved by the local council and access from the main road to the villas.

5 minutes drive to the centre of Lagos city, to the beach and to the A22.
