Property Description

Investment opportunity in Lisbon

The neighborhood located in the upper area of Almirante Reis Boulevard is a quite residential yet filled with small traditional shops.
This traditional part of Lisbon is filled with constructions form the fifties and sixties and is a lively neighborhood.

The A.R. 246 development fits in the original design of this neighborhood. The refurbishment of this residential building will seek to preserve the original constructive features of the time, while it will update its interior layout and requests for energy efficiency to the contemporary demands. Composed by spacious apartments this building also features a lift.

Come and book a visit.
