Property Description

This land is to be an excellent option for those looking to build their dream home in a quiet location and with all the necessary services nearby. Located in Caminho Lombo da Rocha, in the parish of Prazeres, the plot has a total area of 1200m2.

This location is known for being quiet and cozy, providing a pleasant environment to live in. In addition, it is emphasized that there is fantastic gastronomy in the region, which can be an added attraction for those who appreciate good food.

The proximity to all services within a 2-minute radius is a significant convenience, making the location convenient for everyday life. Having quick access to services such as supermarkets, stores, and other establishments is very convenient for residents.

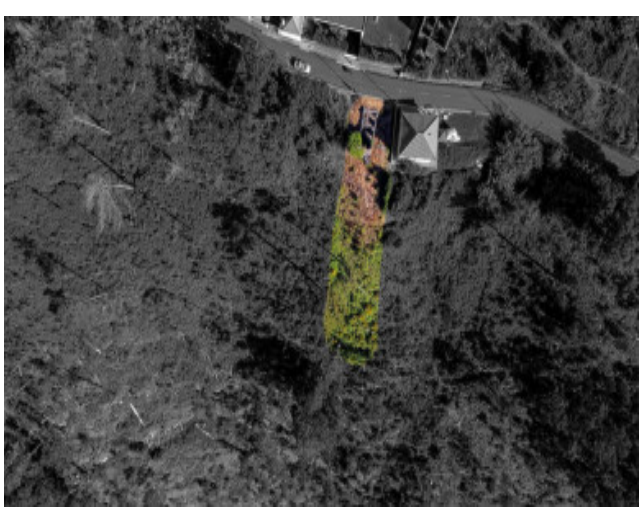

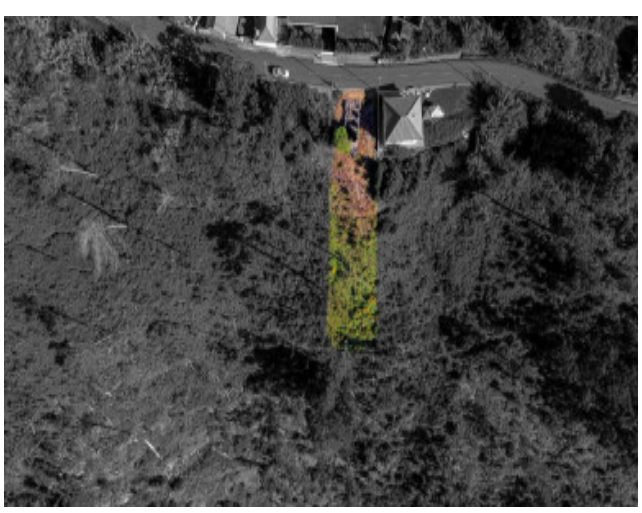

It will be possible to build a total gross building area of 300m2, the plot offers enough space to devise a comfortable and customized villa. In addition, the construction of the villa will provide fantastic ocean and cliff views, which makes the experience of living there even more special.

So if you are looking to create your dream home from scratch, this land seems like a great option. With a quiet location, nearby services, and the ability to enjoy magnificent views, you will have the opportunity to build the perfect home for you and your family.
