Property Description

PARADISE FOUND - Luxury oceanfront 2-bed retreat with breathtaking views

Brand new luxury oceanfront golf resort apartment in a sought-after community with exceptional sea and golf views.

Located in one of the most prestigious oceanfront golf resorts in Europe, this stunning home offers modern finishes, stylish design, and open living spaces designed by Pritzker Prize-winning architects.

Built to a very high standard with quality fixtures and finishes throughout, this stylish accommodation integrates with the landscape and opens to incredible views from the private extended terrace.

Surrounded by beautiful gardens and pools, it also includes 2 garage parking spaces and a large secure storage unit.

The apartment is sold fully furnished, equipped to the highest standards, and ready to relax or entertain.

This front-line golf resort is unique by its privileged location overlooking the endless golden sands of Meia Praia Beach, panoramic views of Lagos Bay, and the spectacular Alvor Estuary. In perfect contrast is the green of the 27-hole golf course, designed by the legendary Robert Trent Jones, where the beach and the links meet.

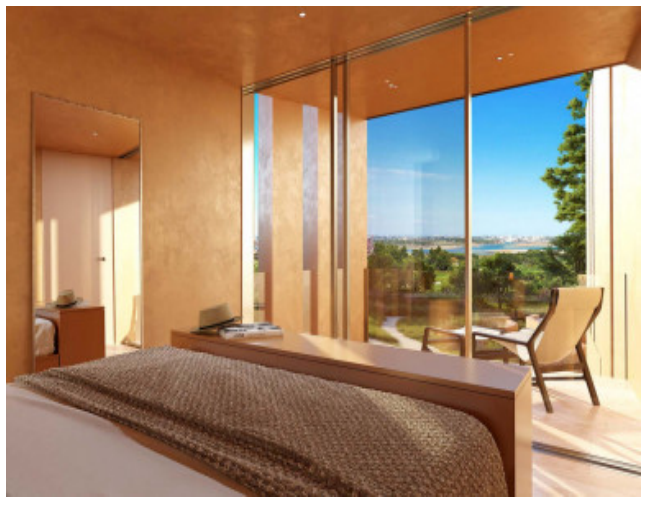

Just a short stroll to the incredible Meia Praia beach, one of the longest golden sand beaches in the Algarve, a few minute's drive to the historic city of Lagos with its world-class marina and a charming old town filled with shops and restaurants, and less than an hour to Faro airport for easy access to the world.

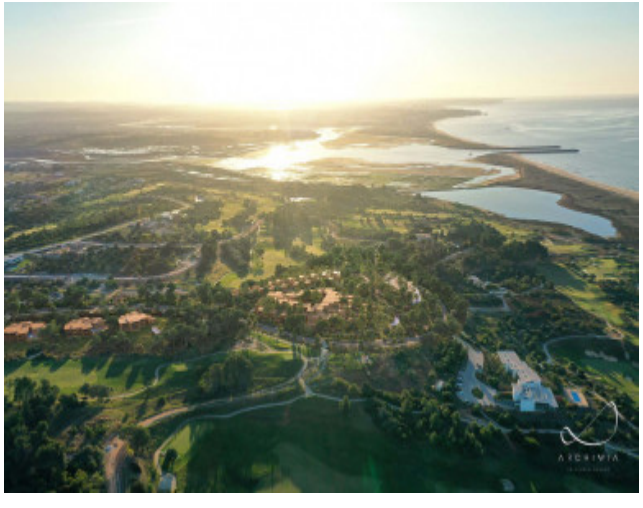

This beautiful retreat offers hassle-free living as full management services are available. Perfect for full-time easy living, comfort for a lock and leave holiday home, or exceptional investment opportunity as a holiday rental.

Dreams become reality. This master-planned community includes a 5-star hotel, clubhouse with panoramic views, and a Michelin restaurant perfect for watching the sunset over Lagos and the bay. Practice at the driving range, enjoy an exclusive beach club for residents or play tennis along with many other sports and leisure activities.
