Property Description

Historic Manor House in the heart of Estoi

This building has been carefully prepared for the final development to be used as a small hotel or a guest house. A swimming pool can be built in the tropical back garden. Further extension of the house is subject to submitting a project and approval of a 'PIP' (Pre-planning approval by the Municipality of Faro Town Hall.)

The present owners invested in completely new roofs including a large roof terrace. The windows are double-glazed.

Estoi is known for its historic Pousada with a fascinating park which is accessible to the public - a gem in the East Algarve, near Faro.

The distance to Faro, the capital of the Algarve is only 11 kilometres away. Faro airport can be reached in 20 minutes.
