Property Description

Imagine having a contractor who delivers a fully operational brand-new villa, from the foundations to the last coat of paint - all you need to do is turn the key.

This turnkey project is on a spacious plot of land - a luxurious contemporary villa enjoying a unique, modern design. The price includes everything - the plot of land and the design and build of the contemporary villa. The project has been thoughtfully planned to deliver exacting attention to detail, ready to offer the new owner the latest technology in comfort, functionality, and, of course, a stunning appearance.

Boasting 4 comfortable bedrooms, including 2 luxurious en-suites, and a total of 4 elegantly designed bathrooms, this home offers ample space for family living and entertaining. The villa features a stylish open-plan living area, seamlessly blending indoor and outdoor spaces to create a light-filled, harmonious environment.

Outside can only be described as a private oasis, complete with a landscaped garden, a sparkling swimming pool, and a patio area perfect for entertaining, alfresco dining, or simply relaxing under the Algarve sun. The property also includes a secure garage, providing practicality alongside sophistication.

The villa is nestled in a peaceful and desirable area on the outskirts of Loulé - the authentic market town, renowned for its lively markets and genuine Portuguese atmosphere. This villa offers the best of both worlds: tranquillity and easy access to excellent local shops and restaurants, stunning beaches, and vibrant nightlife nearby.

Your perfect modern lifestyle begins here. Don’t miss this exceptional opportunity.

Faro International Airport is just 15 km away.
