Property Description

A Landmark of Luxury Living

Perched on the dramatic coastline of Ponta da Piedade, Lagos, this exclusive development is where contemporary architecture meets the timeless beauty of the Algarve. The resort blends striking lines with natural surroundings, offering residents and guests a truly exceptional coastal lifestyle. The views span across the bright blue Atlantic Ocean and the long sandy beach of Meia Praia, or the stunning cliffs along the famous lighthouse.

The resort comprises two elegant 9-storey towers, each with a distinct purpose:

Hotel Tower: Home to a prestigious 5-star hotel, delivering world-class hospitality and service.

Residential Tower: A collection of 72 luxury tourist apartments (T1–T3, including T1+), fully furnished and decorated by the renowned GCA Architects. Every residence showcases sophisticated interiors that combine innovation, eco-efficiency, and artisanal craftsmanship, ensuring both style and sustainability.

Combining the comfort and luxury of a 5-star hotel with the privacy of a residential apartment, owners enjoy the best of both worlds. This unique setup allows residents to benefit from full hotel services and resort-style amenities while maintaining the freedom, comfort, and exclusivity of their own private home.

Designed for Living and Leisure
Apartments are bright and airy with natural light and either east- or west-facing orientations and feature generous balconies (19–29 m²) that extend indoor living into the open air, framing breathtaking ocean views on the higher levels.

Exclusive Resort Amenities
Residents enjoy access to a full suite of 5-star amenities, including outdoor and indoor pools, a luxury SPA, a state-of-the-art gym, a kids' club, concierge, housekeeping, and 24-hour security -all designed to deliver comfort, relaxation, and peace of mind.
