Property Description

The new Villa Infante, which is completed and ready to move into, in one of the most eclectic and cosmopolitan neighbourhoods of Lisbon, Estrela, embracing the River Tagus.

Close to Basílica da Estrela, Tapada das Necessidades and Av.

Infante Santo, this new gated community enhances the cultural intensity, the iconic places and the many gastronomic options, in addition to the wide range of services, schools and hospitals.

Villa Infante is a project marked by the desire to live in a community, while preserving privacy.

Neoclassical in style, this project is the result of a combination of the rehabilitation of the existing structure with the construction of new residential buildings.

The façade, characterized by its imposing architecture, invites you to enjoy a typically Portuguese patio.

Thought out in detail, Villa Infante is a gated community comprising T1 to T4 duplex apartments, with balconies, terraces and gardens, all with parking included.

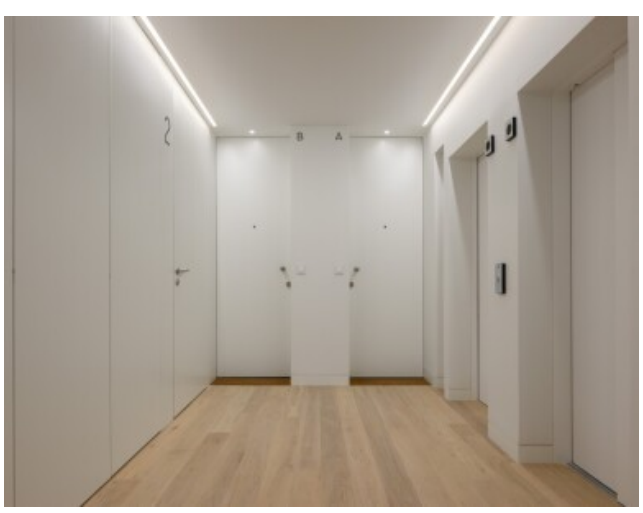

The bright interiors are the result of the large windows, from which one can contemplate the communal gardens, the gym and the space prepared for the children.

Villa Infante is a combination of urban life and a place to breathe.
