Property Description

A green oasis in the heart of Lisbon The Aura project is born next to Av. da Liberdade, in a premium location right in the centre of Lisbon, in an area surrounded by beauty, good taste, shops and services that ensure everything, just a few steps away.

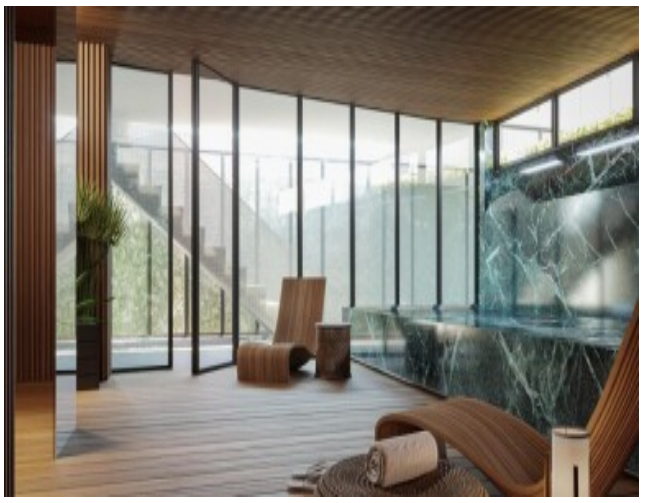

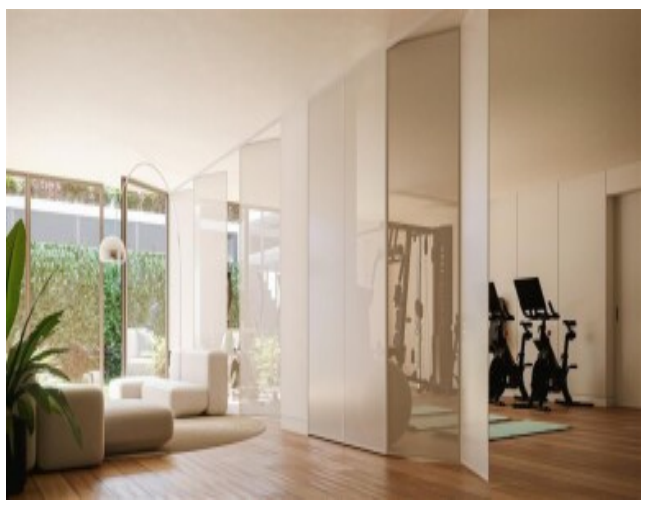

With an iconic façade and sophisticated interiors, the Aura comprises 26 apartments, types T0, T0+1, T1 and T3 Duplex, which offer comfort and all the amenities to its residents.

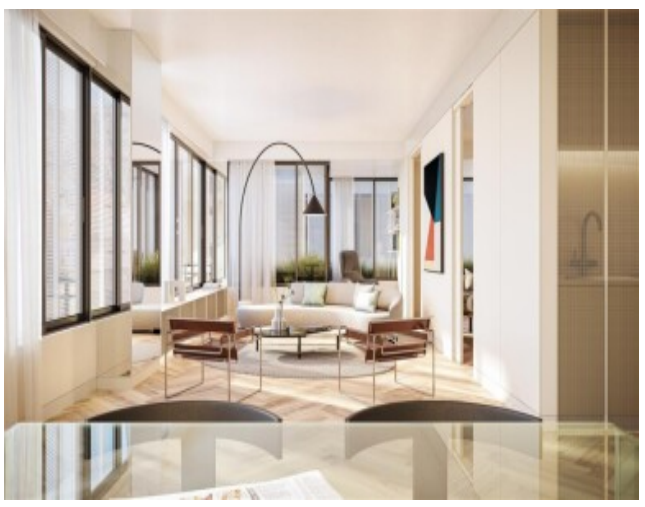

The gated community includes private gardens, parking and swimming pool, thus enabling an even greater involvement between the interior and the exterior, making the connection with nature that characterizes the space even bigger.

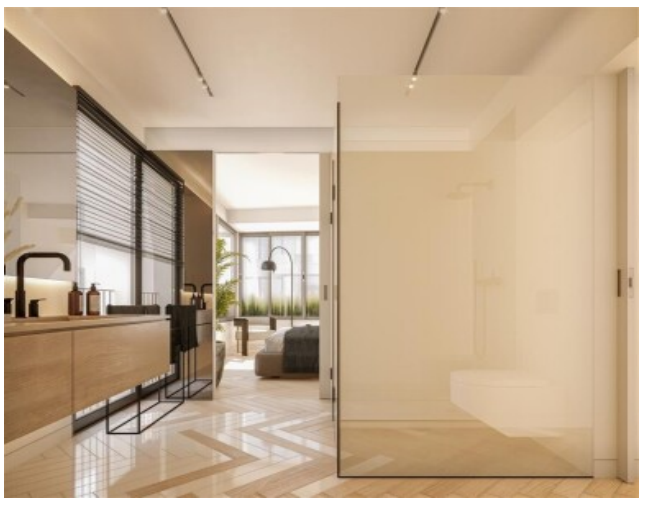

This elegant and luxurious residential project is a perfect symbiosis between the classic and the contemporary, bringing together the privilege of living in a green oasis in the city centre.

With perfect finishes and architecture, this project is a true haven in the middle of the city, surrounded by nature.
