Property Description

A sea frame

The Frame, a luxury gated community that allows for a healthy, active and sustainable life, with the sun as a neighbour and the sea as a backdrop, is located on the extensive Cascais coastline, in Rua Narcisa Sousa Graça.

This new development comprises four 3+1-bedroom and 4+1-bedroom villas, all with a dazzling view over the blue sea.

A short walk from the sand, the The Frame was designed to complement the historic landscape of this pristine area.

Thus, it combines contemporary design, but with continuity in time, while writing a new chapter of the beach chalet culture, which defined the architectural heritage nature of the Estoril and Cascais area.

Located in Estoril, between Cascais, Sintra and Lisbon, the The Frame gated community breathes in the sea air while benefiting from its proximity to the city.

This development offers an unquestionable quality of life, benefiting from everything that the Cascais coastline promotes, namely the beach and golf, historic villages and a vibrant cultural life.

Living in the The Frame is living next to iconic places in one of the most influential areas of the coastline, such as Poça beach, Tamariz Oceanic Swimming Pool, Estoril Garden and Estoril Casino, Garret pastry shop, and the Inter

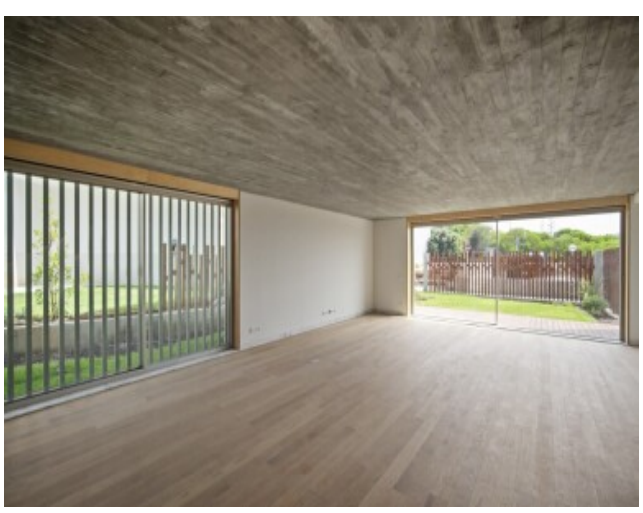

Continental Cascais.

This development is for all those looking for the aesthetic meaning in everyday life, the perfect address for those who see life in an original manner, near everything but with their feet in the sea.
