Property Description

A wonderful corner in Lisbon

The Rocio – Salema Courtyard, a building comprising 36 studio, 1-bedroom, 1-bedroom duplex and 2-bedroom duplex apartments, is located next to one of the most iconic squares in Lisbon, Praça do Rossio.

This corner of Lisbon that marvels people from all over the world represents in a perfect manner the intersection between heritage and modernity, which results in a picturesque and welcoming space in the centre of the hustle and bustle of the city.

Despite being a rehabilitated building, the Rocio – Salema Courtyard has kept its typical Lisbon structure and the original three storeys, overlooking the river.

The Rocio is the ideal address for those wanting to live or invest in one of the most vibrant cities due to the constant tourism growth.

The development is near important monuments of the metropolis, such as the statue of D.

Pedro IV, the Teatro D.

Maria II and the Coliseu dos Recreios.

Next to Praça do Rossio, the building has a privileged location in terms of transport, at a short distance from the underground, bus and the Rossio train station.

This is the perfect opportunity for those wanting to be where the action is while having a luxurious haven to call home.
