Property Description

New condominium on the prestigious Av.

Sabóia in Monte Estoril, Saboia 876, very exclusive with only 6 apartments.

The typologies are 2-bedroom, 4-bedroom, and 5-bedroom, one apartment per floor, except for the top floor which has 2 2-bedroom apartments, one parking space per unit.

Rehabilitation of the existing building, maintaining its old charm with high ceilings; all apartments have balconies or a garden and a swimming pool (in the case of the ground floor).

Rehabilitation project with excellent materials and finishes.

The building will have a panoramic elevator, from the garage to the top floor.

Located in a prime and central area of Monte Estoril, very close to the best beaches in the Cascais area.

This luxurious and exclusive project is the perfect combination of modern architecture, quality, and comfort.

Construction is expected to be completed by the end of 2026.
