Property Description

3 bedroom flat on the 7th floor, with a total area of 218m², with balconies of 45m², 2 parking spaces and storage, inserted in the most recent and luxurious development on Avenida da Boavista.

It is through this prism that we will live in Boavista: that of innovation, excellence and differentiation.

A unique project in this noble area of the city of Porto, a building that recalls the shape of a diamond, inspired by its beauty, rarity, purity and brilliance.

Gated community with Concierge, Gym and Living Room.

The strength of the outer lines resembles that of a diamond, while the inner reminds us of the value of what is most precious: the place we call home.

The location belongs to those who have always made it home, to those who choose it to live, invest or discover. Versatile, trendy and close to services and access: Boavista brings a new centrality to Porto.

A few meters from the building, there are some of the most emblematic hotels in the city, varied street commerce, the most renowned jeweller in Porto, great access, public transport, schools and the new Metro Bus project that will pass by the door.

The Boavista roundabout is a 7-minute walk away and the award-winning Bom Sucesso Market is just 10 minutes away.

Architecture in charge of the highly renowned and award-winning Ventura Partners.

The work will have started in the 1st quarter of 2024 and will have 3 years to complete.
