Property Description

4+1 bedroom villa in Monte Estoril, located in one of the most valued areas of Cascais. Centrally located, just minutes from the beach and the train station, this house offers a practical combination of tranquillity and proximity to services.

The villa is spread over three floors:

On the ground floor are the garage, a cinema room, a bathroom and an office that can serve as an additional bedroom.

On the middle floor is the living and dining room, with connection to a glass winter balcony overlooking the garden. The kitchen, with direct access to the outside, communicates with the pool area and the barbecue area, creating a functional space to entertain.

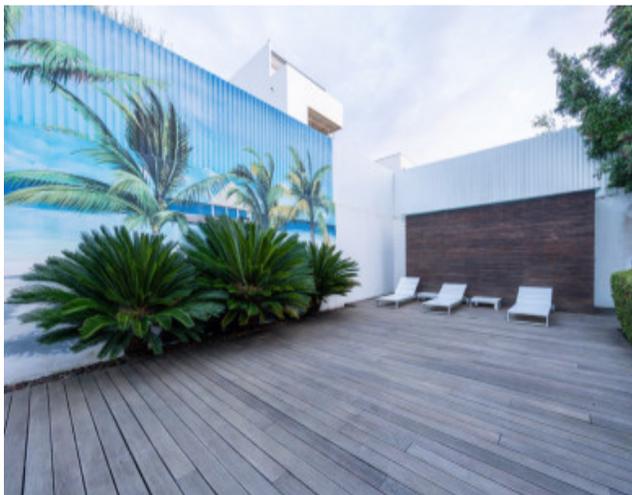

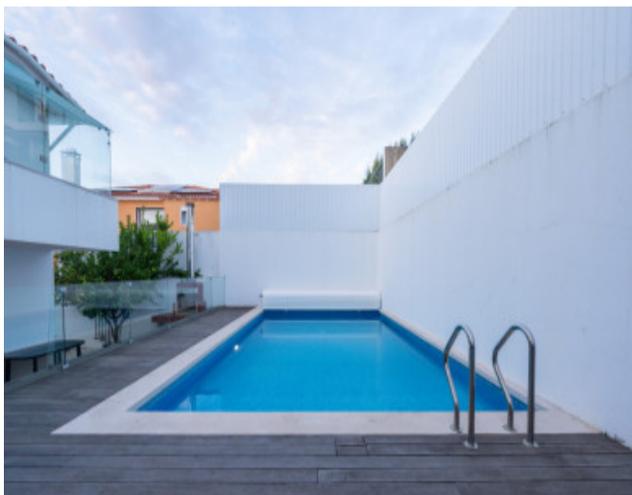

On the upper floor there are two suites and two bedrooms that share a bathroom.

The house has a good organisation of spaces, natural light throughout the day thanks to the East/West exposure and the possibility of being sold furnished.

Location: located in a quiet street, close to international schools, supermarkets, restaurants, pharmacies and clinics. A few minutes from the A5 and the Marginal, and within walking distance of the Monte Estoril train station, with direct connection to Cascais and Lisbon.

An opportunity to live in Monte Estoril with comfort, good distribution of spaces and easy access to everything essential.
