Property Description

Plot of Land in Comporta, located in the Possanco Allotment, with 408 m2 of land area and, with an approved architectural project and a paid license, for the construction of a 2 bedroom single-family house with 242.46m2 of gross construction area and 148.71m2 of implantation area.

The plot is distinguished by its privileged location, in a quiet area of the subdivision, with greater privacy and great sun exposure.

Opportunity to build a villa in a properly infrastructured and consolidated residential development, 2 kms from the centre of Comporta and 3 kms from Carrasqueira, very close to the main beaches of the region and golf courses.
