Property Description

T2 bedroom apartment has been totally renovated by architects respecting the original building characteristics. It is located in the Lapa district near 'Janelas Verdes', it´s fountain and the Ancient Art National Museum.
This is a prime location with it´s palaces, gardens and a chosen location by most of the foreign embassies.
The apartment has original wooden floors and ornate ceiling stuccos, as well as the original kitchen tiles.
The apartment comes partially furnished.

This 80m2 apartment consists of a main bedroom with 'walk in' closet and stylish bathroom. The living room has a beautiful garden view (a rarity for such a location). There is a semi-equipped kitchen with laundry area and pantry space.

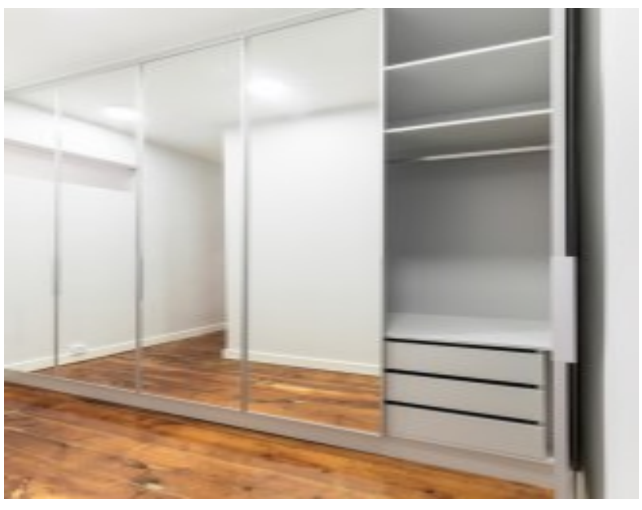

A smaller room adjacent to the living room can be used as a second bedroom or social / work space. Other possible configurations include two larger bedrooms, a kitchen diner and small dining room.
