Property Description

Welcome to Essence - New Tradition, an innovative life proposal in Antas, Porto. Composed of 84 apartments of typologies T0 to T4 with rooftop, with areas between 44 m² and 298 m², this development stands out for its modernity and functionality. The excellent relationship between interior and exterior, achieved through its balconies, roof terraces and outdoor gardens, makes it possible to enjoy the full potential of the site.

Developed by the renowned architecture firm OODA, which elaborated a unique and contemporary residential project, through the use of carefully selected premium materials and equipment.

The condominium offers a gym, a room dedicated to children and a multifunctional space, promoting comfort and balance. Essence - New Tradition is more than a place to live, it is the opportunity to integrate into a modern and welcoming environment. Privacy is assured, even when using the outdoor spaces with family or friends, allowing you to live unique and exclusive moments. Essence New Tradition Enterprise, a concept that will elevate you to a new way of living, where new traditions are being created by you.

The Essence New Tradition Development is located in the eastern part of the city of Porto, which encompasses Campanhã and Antas, and which is constantly evolving, looking to the future, but never forgetting its history full of memories. From the mythical Campanhã station, which over the last century has received people from all over the world, to the São Roque Park, which has recently been renovated and expanded, maintaining its characteristic labyrinth and its viewpoints that peek out over the city.

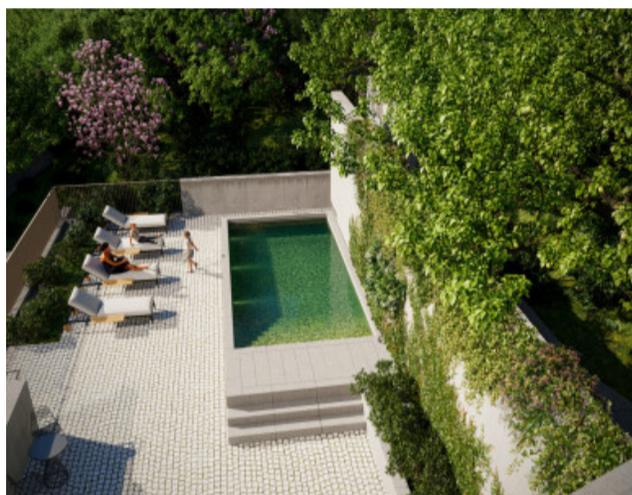

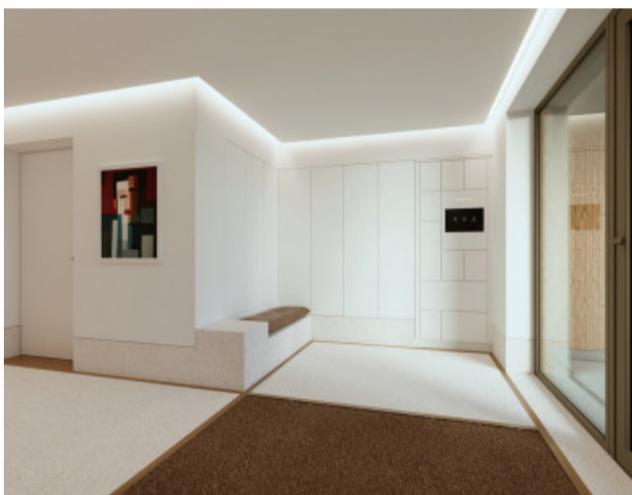

The Matadouro area, very close to the development, has a planned reconversion, allowing to give it a new life, through museums, art galleries, auditoriums, offices, among other areas.

Currently with a wide variety of commerce, transport, parking and urban reconversion, the Antas area will guarantee quality and safety, for those who intend to live or just invest in this area of the city.
