Property Description

The View is a gated community consisting of 29 exclusive apartments of typologies T2, T3 and T4, with stunning views over the Douro River.

Each flat features a terrace with a private pool, incredible top-notch views over the Douro River with premium finishes.

Elegant and luxurious apartments, designed by Paulo Merlini Architects, generously spacious but intimate and seductive.

Gated community with gym and box for 2, 3 or 4 cars depending on the typologies.

With unique details, such as minimalist windows across the façade over the river, the apartments are invaded with natural light mirrored by the waters of the Douro River.

The large and airy areas of The View make these apartments ideal for gathering family and friends in a unique space.

The large private terraces overlooking the Douro allow a unique connection of the flat to nature and the river.

The View will have a concierge service available to all of its residents.

The View is just 5 minutes from the centre of Porto and about 1 minute from Vci, the main communication route of the city of Porto.

Totally out of the hustle and bustle of the city, yet close, it is the perfect location for those looking for a less fast-paced, more private and personalised lifestyle, yet close to the city.

With premium finishes, the apartments at The View have solid flooring in the living rooms, bedrooms and service bathroom, Travertine marble in the suites, Roca crockery, Bruma taps and Miele appliances.
