Property Description

Sabóia 876 is the new residential development to be born in the heart of Monte Estoril, a prestigious and exclusive address, with impressive views over the sea.

Sabóia 876 is the result of the meticulous rehabilitation of a noble building, with a façade in shades of blue, a reflection of the charm and exclusivity of Monte Estoril.

It consists of one flat per floor, in a total of 6 apartments of typology T2, T4 and T5, with 1 parking space for each fraction.

All apartments have outdoor spaces, balconies or a garden, which complement noble and sophisticated interiors with high ceilings.

Some of the apartments have sea views and one of the apartments has a 200 m² garden with a private pool. The building also has a panoramic lift.

A privileged location next to the coast, Monte Estoril is one of the most exclusive areas of greater Lisbon, recognised for its beaches and its natural beauty, and where Avenida de Sabóia is the most desirable and central location.

Between Estoril and Cascais, Sabóia 876 is within walking distance of some of Portugal's world-renowned beaches and the train station that connects Cascais and Lisbon.

Sabóia 876 is close to some of the best schools in Portugal and several shopping and leisure areas, such as the famous Estoril Casino, Cascais Shopping and the Estoril Golf Course.
