Property Description

Estoril Woods is the new private condominium to be born just a few minutes from the beaches of the Costa do Sol and the unmistakable charm of Cascais Bay.

Estoril Woods was designed by the Sidney Quintela studio, designed to offer a unique residential experience, providing privacy, comfort and a strong connection to nature.

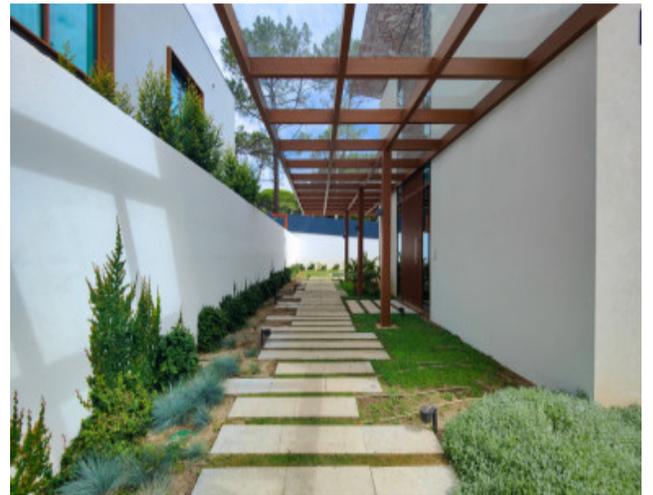

Consisting of 12 detached 4-bedroom villas, each has a private pool and garden. The villas at Estoril Woods are spread over two floors above ground, with large and functional rooms designed to offer comfort, as well as an underground garage with three parking spaces.

Security and privacy are also priorities in this condominium, which has access control and surveillance 24 hours a day, providing tranquillity and exclusivity to its residents. Residents also benefit from a private club within the condominium, which includes a spa, a fully equipped gym and a landscaped playground.

Located in a privileged area, between the Costa do Sol and the village of Sintra, a UNESCO world heritage site, Estoril Woods is located close to beaches, marinas, casino, international schools, golf courses and historical monuments. With easy access to Lisbon, both by motorway and public transport, Estoril Woods represents a unique opportunity for those looking for quality of life, comfort and proximity to nature.
