Property Description

Fiori Cascais – Where Luxury Meets Tranquility.

In one of the quietest areas of Cascais, Fiori Cascais is born, a unique residential development, consisting of only 6 villas of contemporary architecture, created for those who value elegance, privacy and excellence.

With typology T5+1 and about 700 m² of private gross area, these villas stand out for the details that make the difference: double-height living rooms, fully equipped kitchens with island, independent laundries, private lift and multipurpose spaces that adapt to your lifestyle – whether for a gym, office or spa.

The outdoor area invites well-being in any season, with large balconies, heated pool with retractable cover and hydromassage area – a true extension of the social areas to the outside, ideal for enjoying the mild climate of Cascais.

Each villa also offers 4 parking spaces, infrastructure for electric charging, VRV air conditioning, photovoltaic solar panels and integrated home automation, ensuring efficiency, comfort and technology at your service.

Designed by the renowned Sidney Quintela Architecture + Urban Planning, Fiori Cascais presents a sophisticated and timeless aesthetic, with noble materials such as marble and natural wood, creating cosy and long-lasting environments.

Located in a privileged location, just a few minutes from the beaches of Guincho, Quinta da Marinha, international schools, golf courses and with quick access to Lisbon, Fiori Cascais combines the best of urban life with the serenity of nature.

Fiori Cascais is more than a house. It is an exclusive refuge, where sophistication and quality of life go hand in hand.
