Property Description

2 bedroom flat with 55 m2 and outdoor area with 4 m2, inserted in the most recent development to emerge from the University Campus.

Consisting of 93 fractions spread over 3 floors, with a modern and functional concept, with typologies T0, T1+1, T2K and T2 and premium amenities, including: common laundry, multipurpose condominium room, large green spaces and an electric scooter sharing park that ensure eco-sustainable mobility at the doorstep. All apartments have a balcony and parking space.

The modern lines and architectural solutions found make this development a landmark of innovation and elegance, where every detail has been thought out in order to provide the best urban housing experience.

The condominium is close to the main road accesses of the city, and with easy access to public transport, just a few minutes from the Metro Station, next to the S. João Hospital and the University Campus.
