Property Description

Carofini is located in Matosinhos Sul and consists of 17 apartments of typologies T0, T1 and T1+1. The development features a façade covered with ceramic mosaics in beige, ensuring a balanced and discreet architectural reading.

The development's condominium room was designed as a coworking space and lounge for common use. This environment was designed to provide adequate conditions for working, receiving visitors or enjoying moments of break, ensuring comfort and functionality in everyday life.

The interiors of Carofini have been developed with a focus on comfort, functionality and natural light. The rooms, large and well-lit, offer versatile spaces, suitable for different routines, whether for rest, work or socialising. The rooms feature generous areas and storage solutions that meet the demands of contemporary living.

Carofini's location in Matosinhos allows for an experience close to schools, commerce, transport, cultural facilities and the sea. This connection between urban context and coastal proximity reinforces the value of the development, making it an attractive residential option for families, professionals and investors.
