Property Description

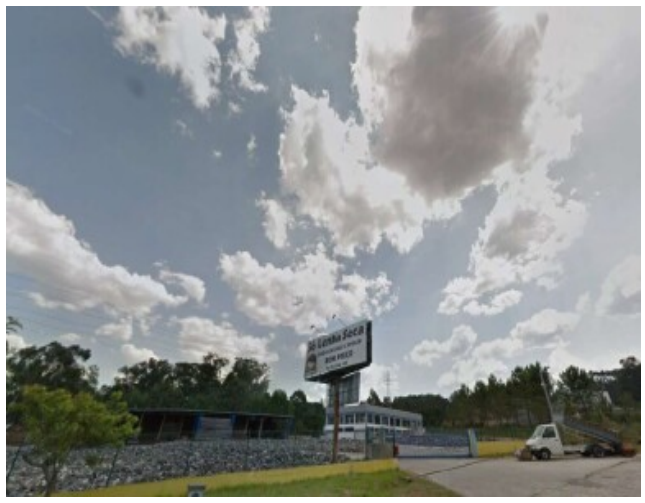

Warehouse with 2,000 sqm set in a flat plot of land of three hectares and infrastructures in the logistic heart of the Leiria region.

Comprising various clusters of urban buildings, the land is properly fenced and provided with infrastructures.

Close to the A1 motorway access and prime location following the gates to factories and warehouses of brands such as Roca, the Lusiaves Group and other companies in the transport sector.

Investment opportunity considering the high quality of construction and condition of the buildings.

Central area close to services, public transport and universities.
