Property Description

Single-story, 4-bedroom house with 194 sqm of gross construction area and garden, semi-detached, located in the luxury Sand

Woods condominium in Cascais.

The house consists of an entrance hall, living room with terrace, four bedrooms, two of which are en-suite, open-plan kitchen with laundry area, and a guest bathroom.

The Sandwoods condominium is surrounded by a plot of 88,000 sqm, with only 23,000 sqm dedicated to residential areas.

Premium amenities include a shared pool near the apartment building, tennis court, basketball court, playground, and walking trails, with approximately 2 km surrounded by nature, the sea, and the charismatic Sintra Mountains.

In line with the sustainability concept present in all residences, the common areas also feature a rainwater reservoir for the irrigation system.

Sand

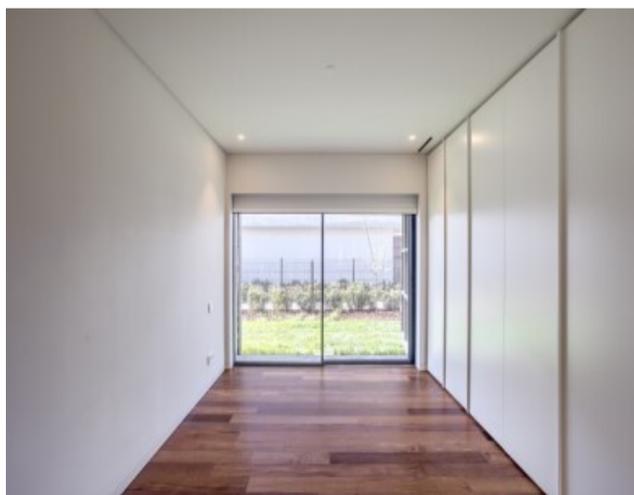

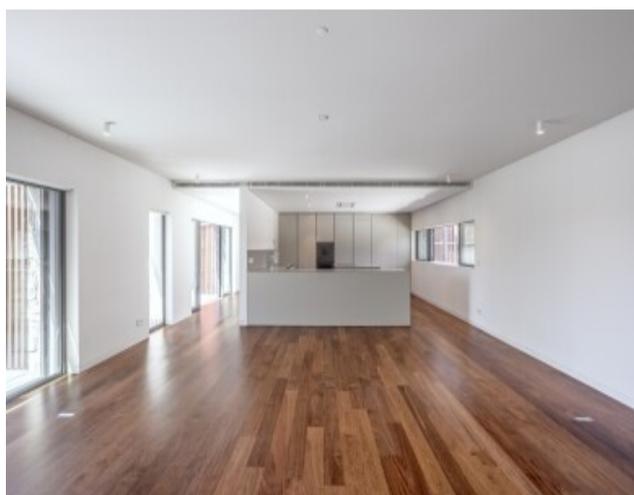

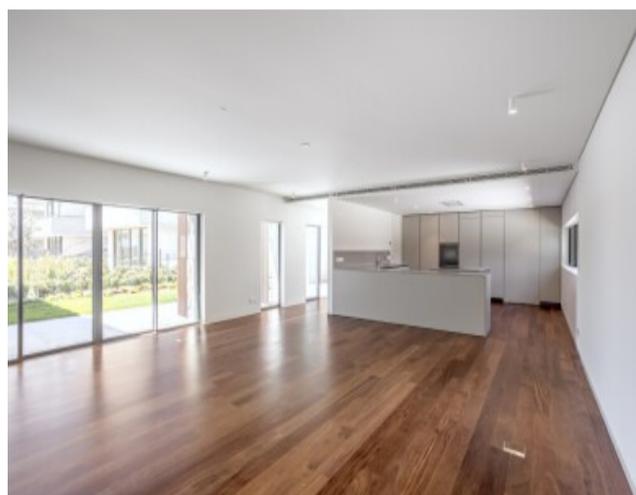

Woods invites you to reinvent a more sustainable lifestyle in an exclusive residential proposal in harmony with nature.

Located in a privileged area, just minutes from Guincho Beach, 4.5 km from Cascais and 30 km from Lisbon and the international airport, it is adjacent to two 18-hole golf courses.

This condominium combines proximity to major urban centers with the surrounding serenity of nature.
