Property Description

We are thrilled to offer this completely remodeled 2 bed, 3 bath apartment in the heart of Chiado, one of Lisbon´s most coveted neighborhoods.

Updated to contemporary taste and comfort, it features the clever and charming system devised by Marquês de Pombal in the 18th Century. Carefully designed to bring joy and ease to your day, South Chiado puts family life back in the spotlight of Lisbon’s downtown.

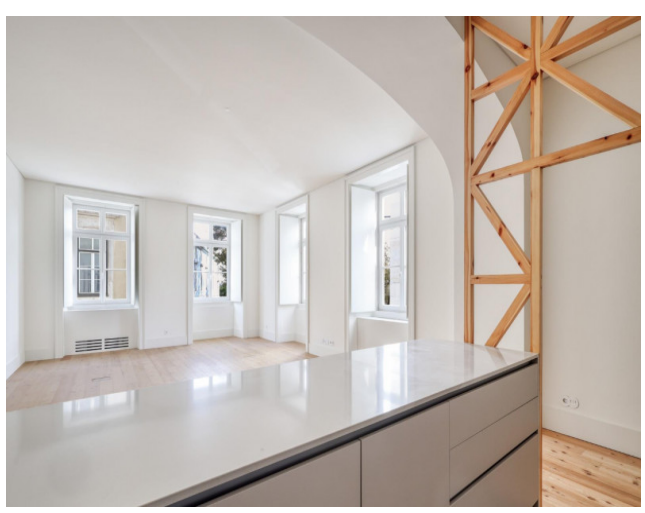

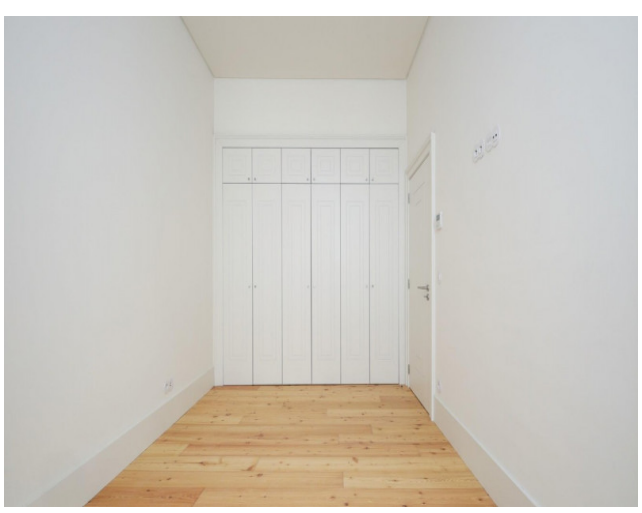

Enter into a large great room, with soaring ceilings and a privileged corner orientation that offers light from two streets. This apartment features a unique arched entryway that makes the great room even more impressive.
The brand new, large kitchen features beautiful cabinetry and Bosch appliances. The apartment includes custom closets throughout, including in both suite bedrooms. With entrances on two different streets, this apartment provides easy access to Chiado and Baixa, as well as the rest of Lisbon with two Metro lines a few minutes' walk from the building.

Do not miss this opportunity to enjoy all the modern conveniences of a new home in the heart of historic Lisbon.
