Property Description

5 bedroom house to renovate a few meters from Rotunda da Boavista

In one of the noble areas of the city of Porto we have a house with a garden to rehabilitate. The house has an area of 217.60m² divided into 3 floors. R/ch+floor1+floor2. It also has an outdoor area of 124 mts² with an annex of 36 mts². As this house is due for renovation, it is worth highlighting the fantastic ceilings with period ornaments, the high ceilings, the beautiful floors in good condition and the majestic stairs that are also in perfect condition.

Located meters from the Boavista roundabout, it is equipped with the most varied services, such as post offices, banks, supermarkets, public services, hospitals, emergencies, police, public transport and metro, access to the VCI. It also has a great offer in terms of commerce with conventional street stores, shopping centers (Península, Cidade do Porto and the Market) restaurants, cafes, market, etc.
