## Property Description

1-bedroom apartment with 58 sqm of private gross area, including parking, balcony, and storage, located in Parque das Nações, Lisbon.

Distrikt is a cutting-edge residential condominium in the heart of Parque das Nações, one of the most modern and dynamic areas of Lisbon.

The entire project is based on the commitment to create attractive and functional spaces, adapted to the environment, the city, and the future of the planet.

With spacious balconies, allowing a perfect connection between the interior and exterior where natural light floods the spaces and the view over the Tagus becomes a scene of tranquility.

The design is not just aesthetic, it is functional, sustainable, and designed for the future, ensuring a home in perfect harmony with nature and the city.
