Property Description

1-bedroom apartment with 69 sqm of gross private area, fully renovated with views of the Tagus River, located on the top floor of a three-story building in the historic center of Paço de Arcos, Oeiras.

Originally designed as a studio apartment, the property currently features a 1-bedroom configuration, with an open-plan living area, one bedroom, and a bathroom with shower base.

The complete renovation has given the property a layout adapted to contemporary residential use.

The top-floor location, natural light, and views of the Tagus River are distinguishing features of this unit.

Due to its typology, size, and proximity to transportation and services, this apartment represents an alternative for permanent residence, second home, or real estate investment.
