Property Description

Country estate with 4,700 m² of land and a 5-bedroom house with 287 m² of gross construction area, garden and pool, in Serra de Santo António parish, in the Serra Daire and Candeeiros Natural Park, Alcanena, Santarém.

Spread over two floors, the house has five bedrooms, three living rooms, an entrance hall, three bathrooms and a fully equipped kitchen.

The main living room is 42 m² with double-height ceiling and a mezzanine providing access to the bedrooms.

The bedroom area includes a storage pantry.

The house is equipped with central heating, a wood-burning stove, ventilation/air renewal system and pre-installation for solar panels.

Outside, there's a salt-water pool, garden and an orchard with various fruit trees.

It also has a parking area for five vehicles, a threshing floor with a storage house, a barbecue porch, two storage houses for garden equipment and a 40 sqm porch facing the lawn.

The property also has a water borehole and an automatic irrigation system with a rain sensor.

It is sold with all interior furnishings and exterior equipment, including gardening and pool maintenance equipment.

Located about 10 minutes from Alcanena Business Park and 50 minutes from Lisbon.

The locality offers various services, such as restaurants, supermarkets, pharmacy and ATM.
