Property Description

2 bedroom apartment, 75 sqm (gross floor area), with balcony, storage room and 1 parking space, in the Zen gated community, in Telheiras, Lisbon.

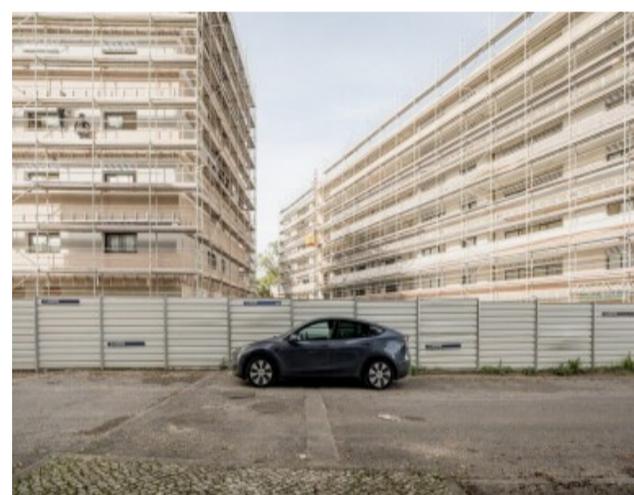

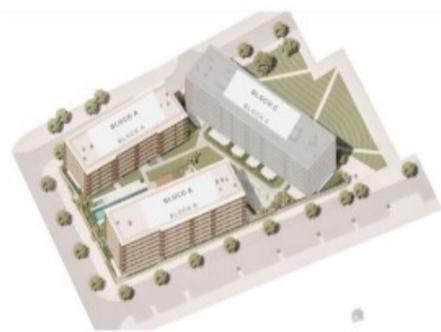

Featuring modern and superior quality finishes, it benefits from functional organization and a very large balcony.

The Zen gated community is a project by the Openbook Arquitetura studio, thus revealing a contemporary design, which combines the city of Lisbon with the promise of a more zen and sustainable life.

With private parking and balconies with ideal areas for sharing moments.

The gated community comprises communal gardens, swimming pool, gym and children's playground, multipurpose space, drop off space, and an area for pets.

The Zen is located in an area with excellent road access, many traditional shops, close to schools such as Colégio Alemão, and also a transport network that serves the entire city.
