Property Description

Land plot with 1,033 m2 of area, with project in final approval phase for construction of a single-family T6 villa with 348 m2 of gross construction area, in Brejos da Carregueira de Baixo, Pestana Brejos, in Comporta.

Located within a private condominium characterized by its architectural harmony, with villas aligned to the traditional style of the region, in one of the most exclusive areas of Herdade da Comporta with appreciation potential.

Each owner can develop the architectural project according to their preferences, complying with the parameters defined in the development's construction regulations and condominium regulations.

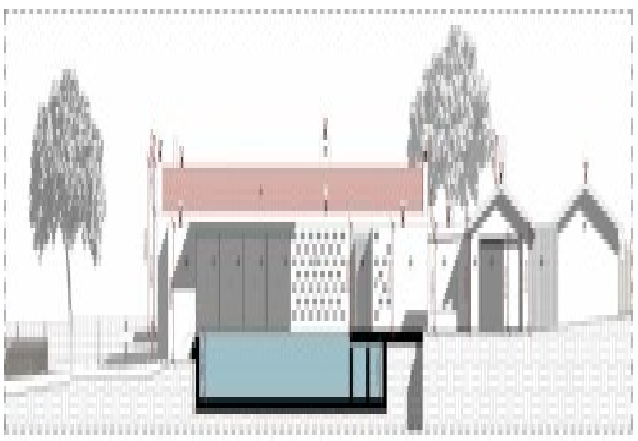

This location stands out for its proximity and exclusive pedestrian access to the wild beach, in one of the most central areas of the Comporta Region.

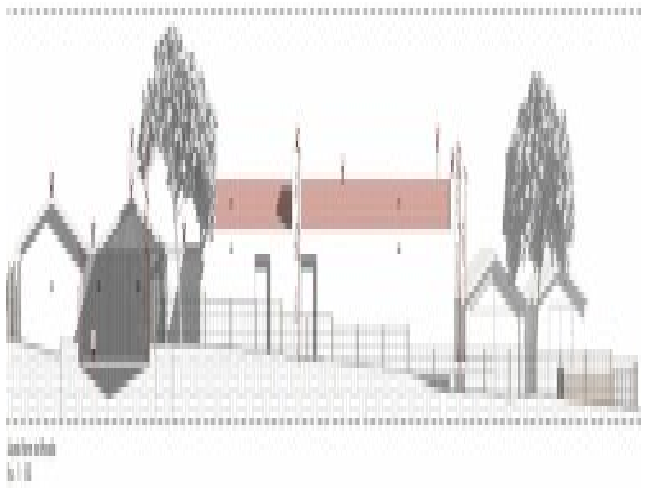

The condominium offers easy access to the main communication routes and proximity to a set of services and reference locations in the region.

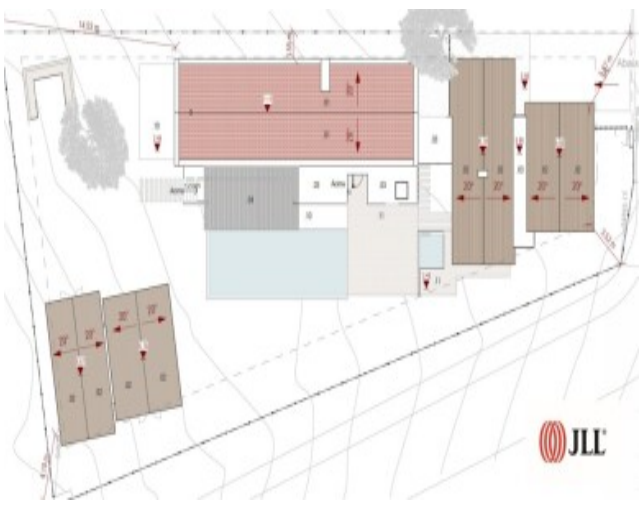

It is 5 minutes driving distance from Carvalhal Centre and its beaches. 10 minutes from Comporta, 25 minutes from Grândola and 30 minutes from Alcácer do Sal.

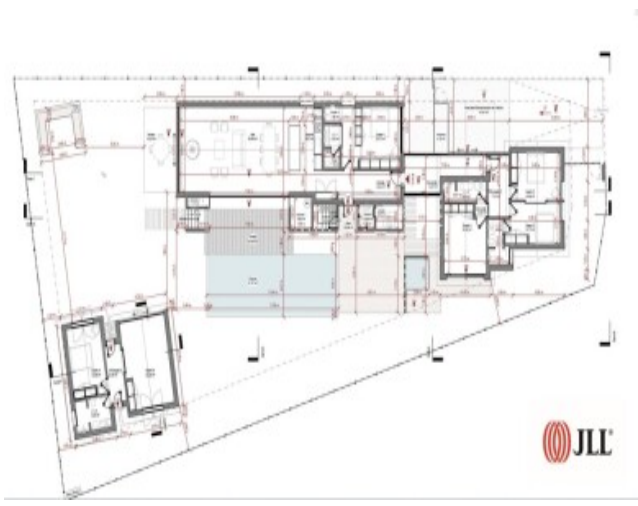

It is also one hour away from Lisbon.
