Property Description

2 Bedroom apartment plus 1 in Amadora, completely renovated and brand new. It is located at the high ground floor level of a waterproofed and painted building in mid-2025.

The property features tilt-and-turn windows with double glazing and large thermal blinds, and is oriented East/West, ensuring natural light throughout the day.

The interior layout allows the property to be used as a 2 bedroom or 3 bedroom apartment, integrating a multipurpose room that can function as an office, additional bedroom, or other support space, easily adapting to different occupancy modes, including remote work or sharing.

The kitchen includes a laundry area with a washing machine and is equipped with an oven, hob, built-in dishwasher and microwave, refrigerator, and water heater. The bathroom has a shower base and window, ensuring natural ventilation. The remaining rooms were designed for functional and practical use.

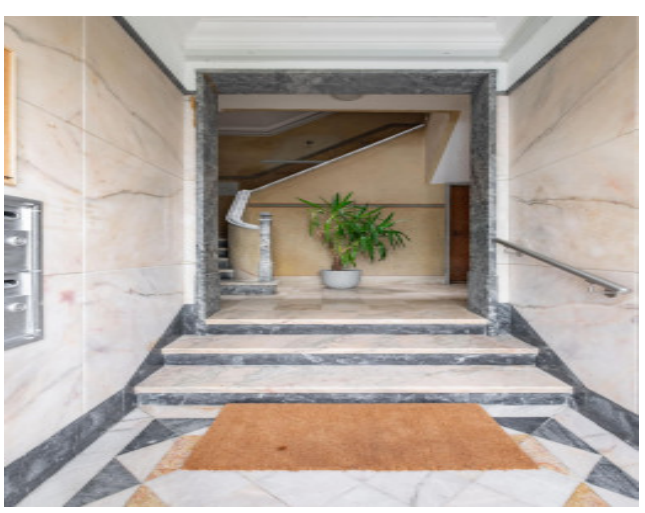

The property is located an 8-minute walk from Amadora Este metro station and 2 minutes from the new Aldi, benefiting from a surrounding area with varied shops and services. Parking is done on the street, with several small squares in the vicinity of the building.

Ready to move in, without the need for any work, suitable for both home ownership and investment.
