Property Description

This exclusive apartment, located on the 6th and top floor, stands out for its great brightness and unparalleled views. The property features a bedroom, kitchen, and bathroom; the latter two have been completely renovated and equipped with windows that offer a privileged view over the Tagus River. The property represents a rare luxury in the center of Lisbon: a 38sqm terrace with views of Bairro Alto, ideal for leisure moments. Inside, the apartment also includes a small storage space (pantry or storage room). Its location is strategic: it is just a 5-minute walk from Santos train station and only 50 meters from the future Santos metro station, ensuring immediate appreciation of the asset. The property is surrounded by a wide range of educational centers and services, located 10 minutes from the vibrant nightlife of Cais do Sodré and Bairro Alto.
