Property Description

We present this elegant 2-bedroom apartment, with an area of 116 m², located in one of the most exclusive and valued locations in Lisbon. The property is distinguished by its generous areas, balanced distribution of spaces.

The apartment consists of a cozy living room, a kitchen with excellent potential for customization, and two bathrooms, providing greater comfort, privacy, and functionality.

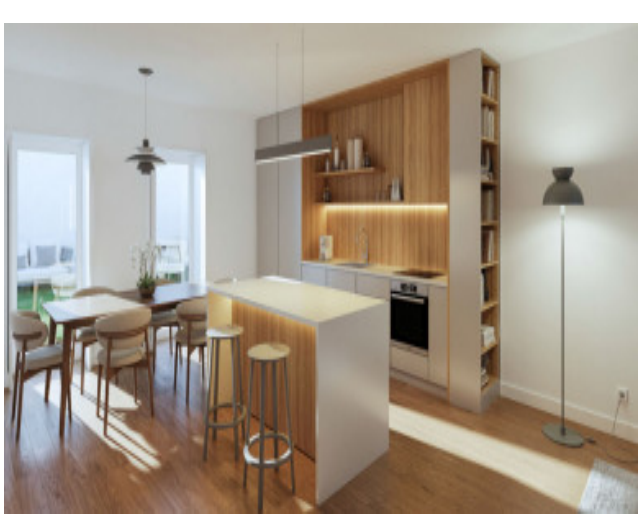

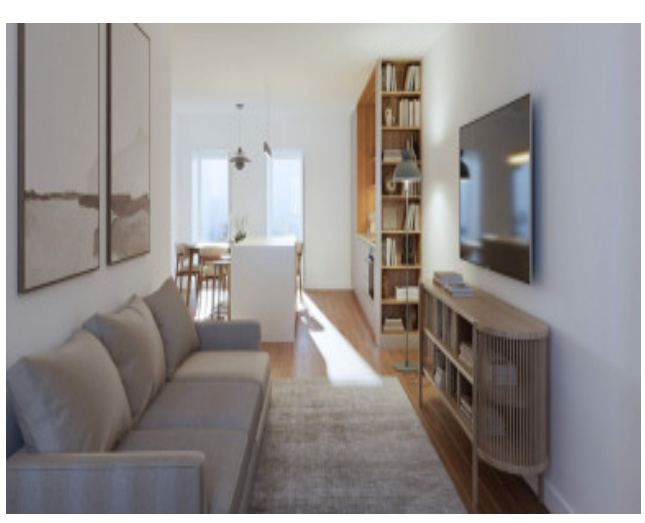

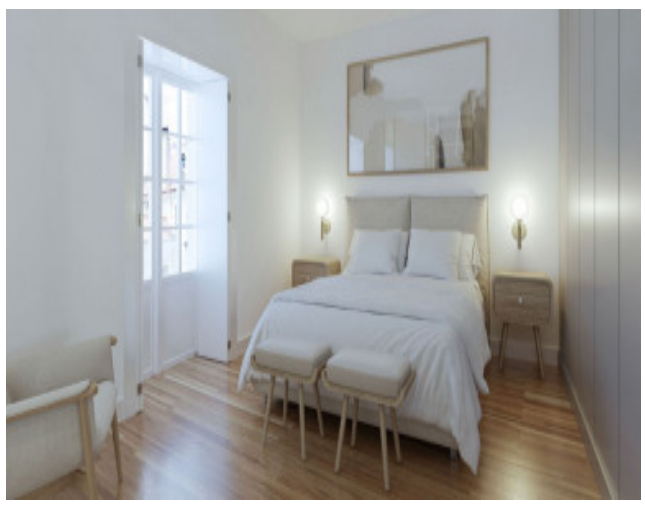

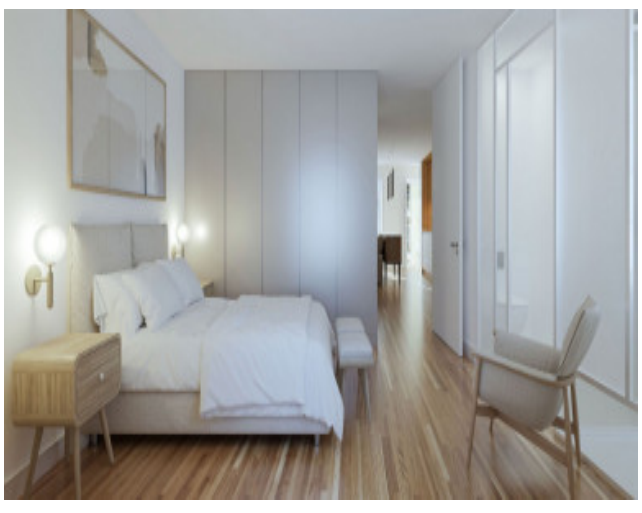

Located in the historic area of the Santo António parish, on a quiet street that crosses Avenida da Liberdade and near the Capuchos Hospital, this property benefits from a privileged residential environment, surrounded by commerce, services, culture, and excellent accessibility. A perfect area to enjoy the authenticity, charm, and dynamism of the city.

The rehabilitation works are expected to be completed by December 2026, ensuring a modern, renovated space ready to debut.
