Property Description

We present this exclusive two-bedroom apartment, with 130 m² of area, located in one of the most prestigious areas of the city of Lisbon. The property stands out for its spaciousness, functional layout, and the rare privilege of having a private garden of 34.8 m², with a completely unobstructed view of the iconic Avenida da Liberdade.

The apartment consists of a large living room, ideal for social gatherings, a kitchen with excellent potential for customization, and a bathroom. The combination of generous areas and outdoor spaces makes it a unique option in the heart of the city.

Located in the historic area of the parish of Santo António, on a quiet street transverse to Avenida da Liberdade and near Hospital dos Capuchos, this property offers the perfect balance between centrality, charm, and quality of life. The surroundings are marked by commerce, services, culture, and excellent accessibility.

The rehabilitation works are scheduled to be completed in December 2026, ensuring a renovated, modern space ready to debut.

A unique opportunity for those looking to live or invest in one of the most exclusive locations in Lisbon.
