Property Description

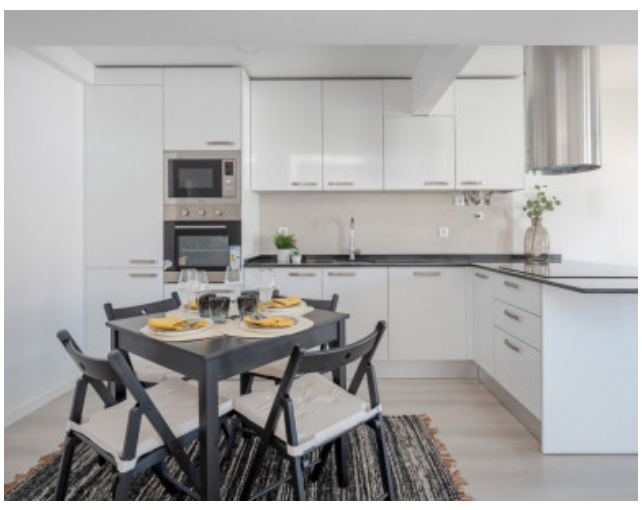

In the neighborhood of Benfica, about a 10-minute walk from Hospital da Luz and Colombo Shopping Center, you will find this excellent 3-bedroom apartment currently undergoing a complete renovation, with two fronts, open balconies, and home staging included, located on the 5th floor of a building with a recently refurbished roof.

The kitchen and living room in an open space of about 29m² with access to a pleasant open balcony suitable for leisure moments. In the private area, we have a 20m² suite with a modern and private bathroom, and two spacious bedrooms with areas of 15 m² and 17 m², one of them with an open balcony, and an additional complete and modern bathroom.
The finishes are of quality: fully equipped kitchen, white lacquered furniture, built-in wardrobes in all bedrooms, PVC window frames with double glazing and tilt-and-turn system, electric shutters on all windows, built-in LED lighting with false ceiling in all rooms, pre-installation of air conditioning, and armored door.
The price includes professional home staging.

Photographs are merely illustrative - only to show finishes, materials, and included home staging.
